IMPORTANT - Only pack what you absolutely need. Wear your bulky clothes and heaviest shoes on board the aircraft to maximize luggage space and minimize weight. Make sure to leave room in your suitcase for souvenirs you will buy abroad. Tour members must limit personal baggage to ONE checked piece, weighing not more than 50 lbs and no larger than 62 dimension inches (height+width+length), and ONE carry-on piece (in addition to a purse, camera case or laptop). Carry-on pieces cannot exceed 42 combined inches and 18 pounds. Do not lock your luggage except with a TSA approved lock. Passport, credit cards, medications, contact lens/case, glasses, luggage keys, camera and one change of clothing should be packed in your carry-on in case luggage is delayed. Place your bag tags on your luggage. Place identification INSIDE your luggage in case the tags become separated from the bag.

PLEASE NOTE CARRY ON RESTRICTIONS AND BE PREPARED AT THE SECURITY CHECKPOINT:

Limited amounts of gels, liquids, pastes and aerosols are allowed inside the aircraft cabin in your carry on luggage. All items of this nature must be presented at the security checkpoint. These items must be in containers of 3 oz. or less and must be placed in one quart size zip lock bag. ONE quart size zip lock bag per person will be allowed to be taken through security and onboard the aircraft.
